Letters of Recommendation

Select three individuals you feel can provide suitable insight about your qualifications to be a managed care pharmacy resident and request they complete the recommendation form.

Forms should be submitted to Steven T. Boyd by January 16th

It is strongly recommended that you select at least one person from the managed care setting.

Southern Scripts

Career Statement

Please explain why a residency is important to your career.

What do you hope to be doing in your career two, five, and ten years from now?

How do you see this residency helping you to achieve those goals?

What are you seeking in a residency program?

Southern Scripts
407 Bienville St
Natchitoches, LA 71457

Practice Perspectives

Managed Care is a very diverse, challenging, and rapidly changing area of pharmacy.

Please discuss your perceptions of what innovative practice involves?

What challenges do you feel you will face in providing patient care in the managed care setting?

What do you feel is the role is of a managed care pharmacist today and in the future?

Practice Interests

There are many ways a pharmacist can affect patient care, quality of life, and manage their practices.

What aspects of managed care are you particularly interested in? Why?

What diseases, patient populations, or services do you think you want to focus on during your residency?
